JOINT MOTION TO CONTINUE  
SENTENCING

The defendant and the United States jointly move to continue the sentencing of the defendant which is currently scheduled for August 11, 2005. In support of this motion, the parties state the following:

1. A probation interview of the defendant was conducted on August 21, 2005. Mr. Aseltine has a long history in the Department of Youth Services and the Department of Social Services. More time is needed to verify much of the information regarding Mr. Aseltine's background.

2. An agreement between Mr. Aseltine and the Barnstable District Attorney's Office and been entered into. However, Mr. Aseltine's co-defendant has a court date scheduled for the middle of September. It is expected that sometime shortly after that date, Mr. Aseltine will

plead guilty in the Barnstable Superior Court. That sentence is to be run concurrent with Mr. Aseltine's federal sentence.

3. It is important that Mr. Aseltine stay in the Massachusetts area until the time of his sentencing in Barnstable Superior Court. Therefore, it is essential that Mr. Aseltine's plea in Barnstable Superior Court take place a short time after his federal sentencing.

4. The parties jointly request that the defendant's sentencing take place any day during the weeks of September 19<sup>th</sup> or 26<sup>th</sup>.

WHEREFORE, the parties joint motion should be allowed.
